## Lee Evans Partnership in Top 100 Architects - 28/11/07

Lee Evans Partnership is one of the top 100 architects in the UK according to Building Magazine's annual state-of-the-nation review which ranked the Practice 89th.

The survey also identified the Practice as one of the top 250 consultants coming in 188th position.

Managing Partner, Nick Lee Evans said, 'We are delighted to be in this year's Top 100 Architects which reflects 33 years of hard work and development. We believe we are now starting to realise our potential and have so much more we want to achieve.'

'As equal opportunities employers and Investors in People we are proud of how we look after our people and retention is high. The Practice is continuing to expand and we are always on the look out for the right people to join our highly trained and motivated team based in the heart of Canterbury.'
