Lee Evans Partnership Sets Hearts Racing

19 members of Lee Evans Partnership's staff got their hearts racing to keep hearts beating in the annual London to Brighton Bike Ride on Sunday 15th June, the largest charity cycle event of its kind in Europe.

The Ride is the British Heart Foundation's biggest fundraising event and this year 27,000 cyclists from all over the UK turned out on to cycle the 54 mile scenic route from capital to coast.

The Lee Evans Partnership team all managed to complete the course with Graham Doyle and Giles Taylor the first of the team to finish, crossing the line together with a very respectable joint time of 4 hours 10 minutes.

The team expects to raise over £2000 for the British Heart Foundation.
