Lee Evans Partnership's scheme Bradbury Court overall winner at South East Regional RTPI Awards 17.12.10

Bradbury Court scooped both the award for Equality & Diversity and Overall Winner at the recent RTPI South East Regional Awards held at Eton College Rowing Lake.

The judging panel was very impressed with the collaborative work on the scheme and the imaginative and yet robust approach of the local planning authority to finding a positive way forward. They went on to describe the scheme as outstanding and carefully designed to provide independent living to meet the needs of young people in a supportive environment.

The scheme has been put forward for the RTPI National Awards and the results will be announced early in the New Year at an awards ceremony held at the London Hilton.
