## **Lee Evans Partnership starts Phase 3 at Central Sussex College's Haywards Heath campus** **24.06.11**

The buildings completed in Phases 1 & 2 at Central Sussex College's Haywards Heath campus have been open to students since early 2008 and Phase 3 of the £30m development has now started.

This part of the building will feature a new learning resource centre, superb new science labs, a sports hall and fitness suite, numerous new classrooms including IT and music suites, a food court and new recreational area for students as well as a reception area.
