architectural  
assistant  
Radu Gidei*

## **LEP welcome their new architectural assistant Radu Gidei 2 September 2011**

Lee Evans Partnership are pleased to welcome Radu Gidei who will be working with their design team on a range of challenging new projects.

Radu studied at Canterbury School of Architecture within the University for the Creative Arts and graduated this year with a first-class BA (Hons) in Architecture.

He is interested in 3D design, graphics and technology and his ability in this area is demonstrated very effectively in his design portfolio.
